

ber of strong testimonies, and I have no doubt but the thousands of Saints here could hear a similar testimony. Those who do not know that they have a testimony, have something within them none the less which bears witness of the truth of the gospel. I do not know of the time in my life when I have not known the gospel to be true. It almost seems that I was born with a testimony. Many of the young people of the Church have a testimony of the gospel if they would only look deeper into their hearts.

"How many men and women come to a knowledge of the truth? This is a question that has always interested me. Under the revelations that have been given to us in modern times, we may find many things that can awaken faith in us. We may come by means of our reasoning faculties to a knowledge of truth. The excellency of a thing is in one way an evidence of its truth. But a testimony can come only through the Lord. Men and women must first obtain the Spirit of the Lord. Then they must order their lives in accordance with that spirit. For the Holy Spirit will not abide in an unclean tabernacle. We must be better in our lives, holier in our conduct, and then our knowledge of the truth will increase. We may not come to a knowledge of the gospel by philosophy merely. They can know only through the spirit of truth. If any man would know the doctrine of Christ he must do his will. If men could know of the truth without the cleansing power of Christ, what would be the situation? Why, they would be saved in their sin. And that would never do.

"May we order our lives so that we may obtain a more complete knowledge of God and the word of God, and have a consequent increase of testimony?" Conference then adjourned till 10 o'clock this morning in the tabernacle, with singing of the hymn, "The Spirit of God like a fire is burning." The benediction, which was pronounced by Elder Angus M. Cannon.

#### SUCCESSFUL FAIR. ACADEMY OPENING

(Special Correspondence.)  
Raymond, Idaho, Oct. 28.—The annual fair just concluded was one of the best in the history of Ray-

mond. Prominent gentlemen of this province who acted as judges speak in high terms of the exhibit. Of horses, cattle, sheep and hogs we had some hundreds, and notwithstanding the drought the grains and grasses in quality were good. If not the best we have ever had. In sports we had contests of horses from surrounding towns, some of which have records better than the 20 class in pacers and trotters, while in galloping we had an imposing array of thoroughbreds. One of the interesting features of the program provided by the "fair committee" was a musical contest which brought out some good work both vocally and instrumentally.

The next event of importance in this town's history will be the opening of the academy which is nearing completion. The expectation is that Oct. 10 will see everything in readiness and witness the inauguration of an educational epoch in local history. Principal Bramwell, formerly of the Fielding academy, Bear Lake, who is to have charge here, has already looked over the situation and recently left to select a faculty. Such a corps of teachers as will be required in an educational institution of the character and class of our academy will be a welcome and valuable addition. Mr. Bramwell has bought a residence here. Here in the Raymond district we will harvest a fourth of a crop. That better results were not obtained is due to poor farming, as where the land was properly cultivated an average crop was produced. Land values have not fallen off except in isolated instances and in even these, have been restored as the result of the heavy rains of the past month. Winter wheat and land prepared for seeding are in good condition, and according to all appearances next season will see a big crop. Shipments of cattle this year have been as good as the best ever exported from here, the Knight Sugar company having sent from their ranges 1,200 head of as fine beefs as expert buyers have seen in years. The ranges are in fair condition for the winter.

Work on our water supply is in active operation. The contract, which includes the laying of 35,000 feet of pipe varying in size from four to 10 inches has been let to W. J. Gray & Co. of Minneapolis, Minn. It is expected that Dec. 15 will see residents turning the tap and water gushing from the rock two miles away. A pump will be installed in the spring, and from the stand pipe or tank we will have a head of 65 feet, giving us force sufficient to throw water clear over our tallest skyscrapers. A major bonus to the city is the whole cost will be well within the bonded indebtedness incurred for that purpose, \$40,000.

S. P. Anderson, a highly esteemed resident of Raymond, died at his home here from Kousharem, Utah. A wife and 12 children survive him. He was an honorable and enterprising gentleman, and his death is widely deplored.

#### ANGRY SKIN HEALED.

No Doubt about Poslam's Power to Kill Germ Life.

In any bacterial infection of the skin poslam, the new skin remedy, shows its power to destroy germ life by stopping the itching at once and causing the trouble to quickly disappear. Poslam acts in this manner in any surface skin disease, including all eczemas, salt rheum, skin scale, seven-year itch, psoriasis, barbers' itch and similar troubles. Every day brings records of remarkable cures exceeding all claims made for it. "For sixteen months I suffered with eczema," writes Mr. W. Neuman, Elmira, Ont., "spent two months in a hospital, tried everything known, with little or no effect. On December 29 I procured poslam, and after using it for a few days, on January 7th (9 days later) I am perfectly healed; my skin is as clear as a baby's."

In minor skin affections, such as pimples, red noses, complexion, blemishes, rash, scalp scales, itching feet, etc., a small quantity of poslam will do the work, results being seen overnight.

Poslam is sold in two sizes (trial, 50 cents; regular jars, \$2) by all druggists, particularly Schramm-Johnson Drug Co. For a free sample write to the Emergency Laboratory, 28 West Twenty-fifth street, New York City.

#### WELSH PEOPLE GATHER.

Sons and Daughters of Wales Hold Enjoyable Session.

The Sons and Daughters of Wales held a largely attended reunion in the sixteenth ward hall Thursday evening. There were addresses in Welsh by prominent local natives of that country, including an address of welcome from William S. Williams, followed by the song, "Y Dryn Pwl." Miss Esther Davis, recitation, Joseph Bywater, song, "Silver Threads." Among the gold, Charles Davis, and song, "Crug-Y-Bar," by the congregation.

The remainder of the program was as follows: Song, "Yn Wlad Fy," Reese Davis, song, "Call Me Up Some Rainy Afternoon," Paul Davis, song, "Y Dryn Pwl." Miss Esther Davis, recitation, Joseph Bywater, song, "Silver Threads." Among the gold, Charles Davis, and song, "Crug-Y-Bar," by the congregation.

#### SHOOT AT BURGLAR—MISSES.

Mrs. Roy Peterson Recites Thrilling Tale to the Police.

Mrs. Roy Peterson, occupying room 29 at 64 west Second South street, summoned the police to her room at about 7:30 o'clock last night to say that a burglar had entered her room, stolen \$5 from her trunk, and that she had fired two shots at him. The police made an investigation, but as yet have no clue to the man who entered the room.

According to the story related by Mrs. Peterson she had lain down for a nap after the evening meal. Her husband had gone out. It was a fit setting for a burglary, she said, as she was under her pillow. Then she went to sleep and when she woke up she saw a man in the room, and when she switched on the lights she found he was well dressed and polite. She fired two shots at the burglar, but the room was so small she failed to hit him. She then had the weapon taken from her by the burglar who admonished her and said that no lady ever shot at a burglar—and missed. That was about all. Then the police made their investigation.

A private safe may be rented in the fire and burglar-proof vaults of the Salt Lake Security & Trust Co., 32-34 Main street, \$2.00 per year.

#### RETAILERS ATTEND BANQUET.

The delegates to the recent Retail Merchants' association convention were shown over the premises of the Jensen Creamery company Thursday afternoon, and then attended the state fair. The evening was pleasantly spent at Odd Fellows hall at a banquet given by the delegates to the convention. There were 20 persons present, and the program as printed in Thursday evening's News was carried out. C. M. Lee was selected toastmaster, when responses were made to the toasts by Fred Wright, Salt Lake, J. W. Wilcox and J. S. Carver, Ogden; Dan Collett, secretary of the Manufacturers' association; H. L. Griggs, Ogden; William Hansen, Jr., state dairy and food commissioner; Fred W. Chambers, state fish and game commissioner, and Joseph Anderson, Salt Lake City.

#### UNIVERSITY NEWS

Enthusiastic university students are making great preparations for the football excursion to Logan Saturday. A football rally was held at the university this morning. The rate of \$2.75 for the round trip has been made, provided a hundred or more purchase tickets.

The university students who are trying out for the east "Professor's Love Story" are picking their parts. Applications for the parts are being received this week.

The Mt. Pleasant teachers visited the university in a body Thursday, their object being to get further information on the "group" system instituted by Prof. Hall.

Some of the seniors are acting as guides for conference visitors. Harry Nelson has been appointed to a seat on the chapel board from the senior class. An entertainment com-

#### MUSSY CHILDREN

Kickapoo Worm Killer makes children regular; stops mussey habits; makes their bowels act naturally; stimulates the liver; clears out malarial symptoms. Acts as a safe tonic and health-builder. It is the best worm medicine known, and also the finest general tonic for children. Price, 25c; sold by druggists everywhere and by SCHRAMM-JOHNSON, DRUGS, The Never Substitutors. Five Stores, Where the Cars Stop.

mittee, consisting of Messrs. Price and Packard, and Miss Jean Williams, has been appointed from the same class to arrange for a matinee dance in the near future.

Manager Stokes of the debaters says that it is probable that the University of Nebraska will send its team to Utah this year. Debates have already been scheduled with the University of Oregon and the Agricultural college.
